Marianne,

(b) (5)

Kim -- I know Marianne is out tomorrow. I hope to be in (if I'm feeling better). If you're in the office, let's talk about the letter. (b) (5)

Subject: PCB in building issue

In Kim's email you will see what the school is saying. In the link I am sending look at the fact sheet (right hand column click on it) to see the language I mentioned. Call me with any questions.
